REPORT No 35 – 29th April 2019

Development

Having been the battalion's development worker for the last six years I believe this summer is the time for me to step down and a younger person take over the development, growth and support of Dundee and Angus Battalion. Family illness in recent months has also meant that I have less time available to support BB activities.

The proposed redevelopment of Scott Lodge has been concentrating the minds of the management team and Scott Lodge task group for some time. I have been undertaking some investigative work with this group to progress a successful planning application.

Queen's Badge Adviser

Fifteen boys have successfully completed the Queen's Badge programme and can now justly be called Queen's Men. This year the presentation service will take place at St Margaret's Church, Glenrothes, Fife on Sunday afternoon, 9th June. Particular details will be sent to the captains and boys nearer the time.

Duke of Edinburgh's Award Scheme

The expedition training for leaders will take place in May in the area north of Scott Lodge. The expedition season is now upon us and I wish the boys every success and enjoyment in all their activities.

For all those who have given me much support and encouragement over the last six years I offer my sincere thanks. It has been a privilege to work with the battalion leaders and boys and I wish you all a very successful and rewarding time with your own companies.
